

MIDDLE EAST
CARAVAN

**READY & SET BUILDINGS
AT YOUR PLACE**

ABOUT MIDDLE EAST CARAVAN

**A pioneer portable facilities-
manufacturer and supplier of prefabricated
buildings and caravans.**

For more than 32 years, we become the market leader of designing and manufacturing thousands of steel prefabricated buildings and caravans using high-quality materials that were chosen perfectly to meet any product requirements. Whatever the needed sizes, required shapes, and use we are always here to provide the best caravans, hangars, cabins, prefab building and much more.

ME Caravan is a one-stop shop that has various teams who are capable of design, manufacture, install, and follow-up after delivering.

Also, not only buying but you can rent or renew your old buildings.

OUR PRODUCTS

We can tailor our designs to meet your needs with our wide-array of prefabricated products that we challenge ourselves with our high-quality materials and well-manufactured facilities.

Caravans

Mobile and Stationary Caravans, specifically designed for your needs either it is a home or for your workers' rest.

Prefabricated Buildings

Either for your personal use or a professional one. Always prefabricated buildings are the best solutions for your parachuting projects.

Steel Hangars

Agriculture, Aviation, or commercial and industrial; steel hangars can always be your safe equipment and machinery store or your full-fledged factory.

Prefabricated Fences

Security solutions include many options, but always steel fences are the ideal choice. We assist you to create the perfect fences for your industrial or home security.

Car Sheds

Keep your car safe and beautiful with our steel car sheds that never rust.

Chemical Toilets

Portable odorless toilets are the best option for your events or on-site work or even as a temporary safari trip.

Steel and Fiber Tanks

Whatever your industry is, you must need tanks for any liquid or chemical storage. Our steel and fiber tanks can make your mission easy.

Backyard Cabins

Cost-effective housing, a spare room or work space at your garden or on your rooftop is always a nice idea.

Offshore Baskets

Cargo transportation is no more a risky process with the offshore baskets. With our safe and high-quality materials, we guarantee for your tools a safe journey.

Prefab Mosques

We provide various designs of mosques and minarets, and add our beautiful touches and all comforts that gives their visitors the spirituality they seek.

Custom made products

You imagine and we design and manufacture. Whatever your requirements we are always capable of fulfilling them.

OUR PARTNERS IN SUCCESS

Our strategy is to keep our client satisfied with our follow-up customer service. That's why we are distinctive with our long-lasting relationships with our clients. As of any project always converted into strategic partnerships where we participate together in huge projects that creates a harmony and in-depth understanding of our partners' business needs and goals.

YOUR SATISFACTION IS OUR MISSION
